

PRIVATE HOUSING LEADS

Private housing is an alternative to DeVry Housing available to students. It is provided as a courtesy to our students and our local landlords. A list of area landlords is compiled and, upon request, is made available to students.

Local private landlords rent rooms in their homes or rent one, two or three bedroom apartments or small studio apartments. The average rent in the North Brunswick area is approximately \$500 per month per student based on dual occupancy. Landlords may also require a security deposit. Rental agreements are made between the student and private landlord.

Private housing is not a referral program. DeVry is not involved in any of the rental negotiations, nor does DeVry screen, visit or inspect units prior to adding them to the list. **All information provided is deemed reliable but not guaranteed and should be verified by the student first. When utilizing this list the following must be taken into consideration:**

- 1. DeVry University assumes no responsibility for any rental contract you may enter into with a complex/landlord.**
- 2. We strongly recommend that you purchase “Renters Insurance” regardless of how safe you view your apartment complex.**
- 3. We advise you to contact local law enforcement agencies and request crime statistics prior to entering into any rental contract.**
- 4. You read completely any rental agreement prior to it being signed and understand the terms of your commitment and the length of the commitment.**

Students may contact the Housing Office in Student Services, housing@nj.devry.edu or Room 226, (732) 729-3850 for information or for a current list of availabilities.
